

Distance Section Introduction

CSC 230 : C and Software Tools

NC State Department of Computer
Science

CSC 230 Fall 2026

- Instructor : David Sturgill
- One on-campus sections with about 140 students
- A smaller distance section
- Generally, all sections will be doing the same things
 - Homeworks, Project, Exam schedule, Exercises, etc.

Just for the distance
section!

Recorded Lectures

- Recording new lectures this semester.
 - Recorded on about the same schedule as the on-campus section.
 - Watch these!
- Lectures from the on-campus section
 - Posted as they're recorded
 - Class meeting Tuesday/Thursday, 3:00
 - Watch parts of these, if you want another chance to hear something explained a little differently.

Exams

- Like the on-campus section
- Scheduled for the same points in the semester
 - 1 hour 15 minutes for each preliminary exam
 - Exam 1 : September 16 - 18
 - Exam 2 : October 28 - 30
 - 2.5 hours for the final
 - Final Exam : December 2 - 4
- Similar length and problem difficulty
- But, a different exam for the distance section
- Need to arrange for a proctor

Quizzes

- On-campus section gets a quiz at the end of every class
- Online quizzes for the distance section
 - Administered via Moodle
 - Generally, longer than the quizzes in the on-campus section
 - Generally, due on Monday evening (same as the exercises)

Online Discussion

- Ed Discussion
- I'll enroll everyone in the class
and update enrollment a few times as people
add and drop.

That's all for Now

- Contact me via email if you have questions
 - dbsturgi@ncsu.edu
- See you in Lecture and office hours
